
'Protecting Your Practice from Negligence Claims & Worse'

Friday 19th February 2010: 9.00am - 12.30pm

Tips and advice for accountants who want to avoid professional negligence claims – and worse!

This unique and valuable talk, presented by Mark Lee, to unconventional acclaim all over the UK, highlights many of the ways that professional negligence claims arise and what you can do to avoid them.

As with all Mark's talks the emphasis is on the practical and commercial.

Please reserve spaces for the above seminar
